

## LISTE DES PERIODIQUES

La liste comprend tous les périodiques dont des articles ont été analysés au cours des années récentes ; ceux dont le titre est précédé d'un astérisque \* sont analysés de manière exhaustive. Les rédacteurs examinent plusieurs centaines d'autres périodiques pouvant publier occasionnellement des articles de science politique. Le signe + désigne les titres ajoutés à la liste précédente. La dernière colonne indique les livraisons examinées pour le présent numéro.

|                                                                                             |                     |              |

## LIST OF PERIODICALS

The list includes all the periodicals from which articles have been abstracted in recent years; those whose title is preceded by an asterisk \* are covered in full. The editors examine regularly several hundred other periodicals in search of occasional articles in political science. Additions to the previous list are preceded by +. The right hand column indicates the issues covered in the present one.
